WELCOME & EVENT GUIDE

Welcome to The Americas

Welcome to the Americas 2022 global symposium for Responsible Asset Owners – in-person or virtual - from the heart of New York, broadcasting across 7 continents via our digital platform.

This conference will once again bring together the best and the brightest from the global asset community to share their insights & knowledge about both the challenges and opportunities of Responsible Investing.

With 5 panel sessions, 4 keynote speakers and networking opportunities throughout the day, including the unique opportunity to request 1-2-1 meetings with industry leaders under who are looking to build partnerships in Innovation - Collaboration – Leadership. This is a don't miss event for those who are serious about making new contacts and cementing existing relationships.

We look forward to seeing you there!
